

**Town of Wilbraham
Tree Warden
NOTICE OF PUBLIC HEARING**

In accordance with Massachusetts General Laws (MGL), Chapter 87, Public Shade Tree Law, Section 3 (Cutting of Public Shade Trees; Hearing; Damages), the Town of Wilbraham Tree Warden will hold a Public Hearing regarding an application from National Grid to remove or prune public shade trees on Thursday, **April 17, 2025, at 6:30 p.m.** at the Wilbraham Town Hall, 240 Springfield St, Wilbraham, MA

The program included a tree-by-tree hazard assessment of public and private trees, along the main three-phase lines which serve the community. The work is recommended to remove hazard trees and prune for additional clearance to reduce tree outage problems affecting large numbers of customers served by these main lines. National Grid's arborists have identified Fifty-seven (57) town-owned trees for removal along Springfield St, Stoney hill Rd, and Hunting Ln. Town trees located within the public way that are designated for mitigation have been posted with a notice of public hearing in the field. Trees designated for removal have been marked with a small red ribbon. Trees designated for pruning have been marked with a small blue ribbon.

A complete list of town trees designated for removal or pruning including information about the location, size and species of the affected trees and the reason for work proposed, is available at the Wilbraham Town Hall and the Wilbraham public library.
