Bill Steele
4. Budget request for FY 2023?
5. Apply to CPC for \$1000 funds – marker for Wigwam Hill – John Broderick’s e-mail  

A few things re: 186V Tinkham Property, could you share with Historical Commission?  1. Is the Historical Commission aware that one of the areas being considered for development (not preservation) may be the actual Wigwam Hill area? 2. Would there be an interest on the part of the HC to put some sort of Memorial Marker somewhere on the property? This could likely be done with CPA money.
