Demand bills will be going out on Thursday.

Wilbraham & Monson Academy new facility. The water department tapped a sixteen (16) inch line for a new service. The sampling came back good. The report was sent to Deidra Hall. The new service is all set. There will be no meter pit. It will be metered inside the building.

Hydraulic model – working on it. We supplied the information.

Flushing- It is slow going. Miller and Boston Road have been completed. Have been checking hydrant caps. The reason for flushing is for water quality.

A meter pit was put in for a new service in a group home.
