5. OLD BUSINESS:

The two tree at the west side of Adams has not yet have finally been taken down and cost as been paid.

Glendale—one tree has been taken down and two other trees are to be removed in the near future. Hastie Fence has been contacted for repair of the fence and gate.

Don will contact Llewelyn regarding shrub overgrowth at the monument.

6. NEW BUSINESS: East Cemetery, as well as Adams, is in need of monument repair. Will is going to submit information for a GPA grant and if awarded the funding will be for July 2020. He will include photo's and information.

Trash removal from Casella waste has been a problem. The company indicates that the current trucks are too large for use. Will is following up with them to arrange for something smaller that would take the trash once a month. If this can't be worked out we will be contacting another service.

Respectfully submitted,

Sharon L. Kipetz
