DEPARTMENT OF PUBLIC WORKS

240 Springfield Street

Wilbraham, Massachusetts 01095

(413) 596-2800 ext. 208

*Tonya L. Basch, P.E.*

Director of Public Works

July 2, 2021

Dear Resident:

The Town and/or its contractor will be paving and repairing the road in front of your house. The Town right of way is approximately 10 feet from the edge of the road. Sprinkler heads within 5' of the edge of the road will most likely be impacted. Please relocate your sprinkler heads or mark them with flags within the tree belt area. If damage occurs, the Town does not repair or pay for repairs to damaged sprinklers. The work is expected to begin by mid-July. Remove all basketball hoops from cul-de-sacs or ends of driveways that would interfere with the paving operation. The following roads are scheduled to be paved:

Faculty St (Turf Field to Main St), Springfield St (Inwood Dr to Stony Hill Rd), Lance Ln, Glenn Dr (Lance Ln to Brainard Rd), Maple St (Main St to Chapel St), Brentwood Dr, Jeffery Ln, Sawmill Dr, Mountainbrook Cul-de-Sec, Linwood Dr, Oxford Dr, Mohawk St, Main St (Delmore Ave to Decorie Dr), Decorie Dr (Main St to approximately 200ft), Highview Rd, Ely Rd, and Beebe Rd

Please contact this office regarding any questions at 413-596-2800 x 208.

Sincerely,

Tonya L. Basch, P.E.  
Director of Public Works
