SPEC POND BEACH & AMY'S SPARKLE PARK SPLASH PAD 2023 WELCOME LETTER AND INFORMATION

We're looking forward to a great summer! Spec Pond Beach and Amy's Sparkle Park will be open Saturday, June 17 through Sunday, August 13. Our goal is to offer a safe and family friendly swimming area with clean bathrooms and changing rooms, certified lifeguards, and a great concession stand.....all summer long!

LIFEGUARDS: Our experienced Waterfront Director will be assisted by a qualified lifeguard staff. The guards are responsible for ensuring the safety of all patrons and staff by maintaining compliance with and enforcing all policies, procedures, and regulations set by the State of Massachusetts and the WPRD. All guards hold current lifeguard and First Aid/CPR certification. They are to be respected and have the authority to enforce all policies, procedures, and regulations for your safety.

ADMISSION & CONCESSION STAFF: The admission staff is responsible for ensuring that all patrons using the beach/splash pad on any given day have either paid the daily rate or are season pass holders. This is done by checking the daily registration roster, checking season passes as patrons enter the beach area, and distributing daily wrist bands. The concession staff oversees the operation of the concession stand and is available to provide refreshments when the concession stand is open.

ADMISSION:

Season Passes: Each season pass holder entering the beach facility must check in at the guard shed and show a season pass (ID may be required). Concession staff will scan season passes and sign members in to beach.

Daily Passes: Daily passes may only be purchased at the guard shed (only cash with small bills is accepted). **A wrist band will be issued to each daily patron. If you are on the beach you must have a wrist band indicating you have paid and registered at the guard shed. Admission to the beach includes the use of the splash pad, and there is no admission to use the splash pad only. Once patrons are on the beach the guards are responsible for them both in and out of the water.**
