**(beginning with the Friday, June 9, 2023 payroll deductions!)**

At their meeting on February 7, 2023, the Board of Trustees of the Scantic Valley Regional Health Trust voted to increase premium rates by 2% for all active employee and non-Medicare retiree plans. All plans the Town of Wilbraham offers its employees and retirees are still non-deductible plans. Dental Insurance rates remained the same for the sixth year in a row. Effective July 1, 2023, retirees are eligible to enroll in the BCBS Dental Program.

## A Word about Retirement

If you are an employee who is planning to retire during the upcoming fiscal year (any time between July 1, 2023 and June 30, 2024), please note that your coverage will continue on the same plan you will be enrolled in at the time you retire, but your contribution rate will go from 32% to 40% of the premiums (the Town pays 60%). Please make an appointment and meet with Gloria Congram if you have any questions or concerns regarding continuation of benefits into retirement.

### **Benefit Summaries and Comparison Charts**

Under the Affordable Care Act all Health Plans must provide a Summary of Benefits and Coverage (SBC) for each health plan offered which follows a described format and contains information designed to assist consumers to evaluate and compare the plans. All Summaries of Benefits and Coverage for each BCBS, Health New England, and Tufts Health Plan are available in hard copy in the Selectmen’s Office or on the Town’s website under Human Resources – Employee Benefits. The SVRHT also offers a high level comparison chart/overview of the plans offered by the Town of Wilbraham. However, only the plan documents available to registered users on the carrier websites are the documents that describe full and complete plan details. The carrier documents are the only documents that coverage is based on. Should you have a question about specific coverage, you will need to contact the Member Service number on your ID card for detail or visit the carrier website.

### **Flexible Spending Plan (Section 125 or “Cafeteria Plan”)**

#### **Pre-tax Insurance Options**

The Town of Wilbraham offers employees who are eligible to participate in the Town’s group health insurance plan a “Section 125 Cafeteria Plan” pre-tax purchasing arrangement. A Section 125 Plan is not health insurance; it is a way to purchase health insurance on a pre-tax basis. It also allows employees to purchase basic group term life and group dental insurance on a pre-tax basis, and offers the opportunity to open two separate “flexible spending accounts” where employees put money into an account via weekly payroll deduction on a pre-tax basis to be used for certain purposes. The Summary Plan Description (SPD) is available on our website and in the Selectmen’s Office.

## Flexible Spending Accounts

The Town offers two flexible spending account options under the Section 125 Cafeteria or Flexible Benefits Plan. Participation in the Flexible Spending Plan is available for all employees who are eligible to participate in the group health insurance program (minimum work hours is 20 hours per week). It is necessary for payroll to support the amount of the deductions to allow for the pre-tax benefit. The employee determines an annual amount up to an allowable maximum and then makes weekly payroll deductions into these accounts. The employee gets reimbursed from these accounts by filing claim forms and substantiating documents with the Plan Administrator, Lynne Frederick, Assistant Town Treasurer. Employees will sign a HIPAA Authorization Form to allow the plan administrator to receive private health information.

Two different accounts are offered:

- Medical Expense Reimbursement Account

The medical expenses reimbursed through this account are expenses normally deductible on your federal income tax return. The IRS approved limit of the amount employees can defer into this account in calendar year **2023** is **\$3,050**, up \$200 from last year. Expenses which may be reimbursed include, for example, your health insurance co-payments, prescription medications, prescription eye glasses, chiropractor fees, dental expenses, and certain surgical procedures. **Only those expenses which are approved by the Internal Revenue Service (IRS) may be paid from this account.** (Over the counter drugs are NOT covered!) Before you enroll, you must first decide how much you want to contribute to your account. You will want to spend some time estimating your anticipated eligible medical and dependent care expenses for the 2024 fiscal year. If you have not spent all the amounts in your Medical or Dependent Care accounts by the end of the plan year, you may continue to incur claims for expenses during the "Grace Period", which extends 2 ½ months after the end of the plan year (June 30, 2024, extends to mid-September).

- Dependent Care Reimbursement Account

The expenses reimbursed through this account are Child Day Care and Dependent Adult Care up to a maximum of **\$5,000 per year** per household. (This would be in place of taking the deduction in your federal tax return.)

**This Plan is administered in the Town Treasurer's Office. For more information please contact Lynne Frederick, Assistant Treasurer, at 413-596-2800 x 207 or via email at [lfrederick@wilbraham-ma.gov](mailto:lfrederick@wilbraham-ma.gov). (There is no automatic renewal, plan participation must be renewed each year, this year's deadline to enroll will be June 16, 2022!)**

## Eligibility for Group Health, Life and Dental Insurance

Employees who regularly work 20 hours per week or more are eligible for Health Insurance under MGL Chapter 32B. Under the Affordable Care Act (ACA) employees who work 30 hours or more per week are eligible. The ACA also requires that employees who work an average of 130 hours in a month for a designated "look-back" period (the Town uses the period from April 1 to March 31), will be offered insurance coverage during open enrollment for a one year "stability period" (the town designated the plan year, July 1 to June 30 as the stability period).

If you have any questions regarding eligibility, please contact Gloria Congram (see page 5). Eligibility for Health Insurance qualifies for eligibility in the Flexible Spending Plan.

## Enrollment Rules for Covering Spouses and Dependents

**The Town retains the right to adopt rules and regulations as provided for under MGL Chapter 32B, Section 14. In accordance with Chapter 150E Massachusetts General Laws, health insurance and other benefit costs are subject to appropriation by the Town of Wilbraham. State or federal law or regulatory action may result in an increase in plan deductibles or co-payments.**

Eligible Spouses - The subscriber may enroll an eligible spouse for coverage under his or her health plan membership. An 'eligible spouse' includes the subscriber's legal spouse of either sex. In the event of a divorce, the former spouse may remain on the Town's insurance if the divorce agreement stipulates that the employee is responsible for the former spouses coverage. MGL Ch. 32B, Section 9H permits coverage with the employer contribution until either the employee or the former spouse remarries. If the employee remarries and if the divorce agreement requires that the employee cover the former spouse's health insurance, then the former spouse will be enrolled in an individual option with 100% of the premiums paid by the employee (no employer contribution). If the former spouse remarries he/she is no longer eligible to remain on the Town's plan. Please contact the Benefits Manager, Gloria Congram, to confidentially discuss your options for your particular situation.

Eligible Dependents - The subscriber may enroll eligible dependents for coverage under his or her health plan membership. The subscriber's 'eligible dependents' include: a dependent child until the age of 26. These include the subscriber's or legal spouse's dependent children who qualify as dependents as subject of a court order which requires the subscriber to provide health insurance for the children. These may include:

1. A newborn child – the effective date of coverage for a newborn child will be the child's date of birth provided that the subscriber formally notified the plan sponsor within 30 days of the date of birth.
2. An adopted child – the effective date of coverage for an adopted child will be the date of placement with the subscriber for the purpose of adoption. The effective date of coverage for an adoptive child who has been living with the subscriber and for whom the subscriber has been getting foster care payments will be the date the petition to adopt is filed. If the subscriber is enrolled under a family plan as of the date he or she assumes custody of a child for the purpose of adoption, the child's health care services for injury or sickness will be covered from the date of custody.
3. A child who is recognized under a Qualified Medical Child Support Order as having the right to enroll for health care coverage.
4. A dependent child until they turn 26; (Note: The child is not required to reside with the subscriber!)

5. An unmarried disabled dependent child may maintain coverage under the subscriber's health plan membership. The child must be either mentally or physically handicapped so as not to be able to earn his or her own living, as determined by the health plan carrier. The subscriber must make arrangements for the disabled child to continue coverage under the family contract no more than 30 days after the date the child would normally lose eligibility.
6. A newborn infant of an enrolled dependent immediately from the moment of birth and continuing after, until the enrolled dependent is not eligible as a dependent.

To enroll a spouse or dependent, please submit the following documentation:

<u>Relationship</u>	<u>Documentation</u>
Spouse	Photocopy of town- or city-issued marriage certificate (church or Justice of the Peace certificates are NOT accepted), <u>and</u> Page 1 of your last filed Federal Tax Return (1040 or 1040A). ## Dental Insurance

**Effective July 1, 2023, retirees are eligible to enroll in the Town's BCBS Dental plan! Premiums are covered 100% by the retiree and will be deducted from their retirement check and sent from the retirement office to the Town. All retirees and their eligible spouses and dependents are eligible even if they were not eligible before. This is a onetime special enrollment opportunity and all retirees who decline enrollment will need to sign a waiver acknowledging that they know they will not be able to enroll at a later time, or re-enroll after they cancel their coverage.**

This is the fifth consecutive year that dental insurance premiums have seen no increase.

The following is an overview of coverage provided. For more information, visit the BCBS website at [www.bluecrossma.com](http://www.bluecrossma.com), or contact Gloria Congram at 596-2800 extension 102. The Plan document is also available on the Town's website, or in hard copy in the Selectmen's Office.

This plan offers an Accumulated Maximum Rollover Benefit, which allows members to roll over a certain portion of their unused annual dental benefits so that they can use them in a

future year. There are limits and restrictions. Enhanced Dental Benefits for certain dental care services are available if you are a member who has been diagnosed with diabetes, coronary artery disease, or oral cancer, or is pregnant. Contact member services at 1-800-782-3675 for more information and other questions.

## The Scantic Valley Regional Health Trust

The Scantic Valley Regional Health Trust (SVRHT) is the joint purchase group through which the Town of Wilbraham purchases health coverage. The Trust meets regularly in open session at the Wilbraham Town Office Building and meeting minutes are posted on the SVRHT website at [www.scantichealth.org/](http://www.scantichealth.org/).

**High Technology Imaging Services** The SVRHT voted to waive the co-pays for high technology imaging services when employees select from a list of non-hospital based imaging centers for scheduled services. The lists of BCBS and HNE non-hospital based imaging centers are posted on the SVRHT website at [www.scantichealth.org](http://www.scantichealth.org/). You can get a hard copy in the Selectmen’s Office, or by calling your health plan member services department by calling the number of your insurance membership card. Please note: Tufts Health Plan has not issued a list, you need to call them directly to find out if the imaging center you have been

referred to will require a co-payment or where else you may be able to go and not pay a co-payment.

**Wellness Program.** SVRHT has hired a Wellness Coordinator, Marcy Morrison, to manage an incentive driven Wellness Program. The SVRHT Wellness Program offers employees and retirees and their families health promotion programs, disease screenings, and general behavior risk reduction programs, some with cash rewards. This is a long-term cost reduction strategy, rather than a cost shifting strategy. Participation in the Wellness programs is a Win-Win for employees and employers - improving quality of life while putting the SVRHT on track for reducing health costs for preventable conditions. Please consider participating in the SVRHT Wellness programs. For more information, please visit the SVRHT website at [www.scantichealth.org](http://www.scantichealth.org) or contact Marcy Morrison at [Marcy@scantichealth.org](mailto:Marcy@scantichealth.org) or 617-431-6651.

### **Fitness Benefits (i.e. Gym membership or Weight Loss program)**

All three insurance providers (BC/BS, HNE and Tufts) offer **cash reimbursement** benefits on fitness programs (club membership or fitness classes) with their active employee health plans. Please contact your insurance provider directly, or our Benefits Manager Gloria Congram, at 596-2800 Ext. 102 for information on these benefits or to obtain a reimbursement form.

### **Free Prescription Medications:**

Since January 1, 2018, the SVRHT has been offering a **free** international prescription drug program through a company called **CanaRx**. Enrollment information and drug lists are available on the SVRHT website at [www.scantichealth.org](http://www.scantichealth.org). Members pay no co-pays for certain brand name prescription drugs.

### **Free Diabetes Medications and Supplies:**

**The Good Health Gateway** Diabetes Care Rewards Program offers free of charge diabetes medications and supplies for subscribers of self-insured health plans who complete program requirements. If you have ever been told you have diabetes, pre-diabetes, elevated or high blood sugar, hyperglycemia, or low insulin levels, you are encouraged to find out about participating in the Diabetes Care Rewards Program and receive its benefits. The purpose of this program is to encourage important screenings and exams for better outcomes. Please call their helpline at (800)-643-8028 to learn more, or register online at [www.GoodHealthGateway.com](http://www.GoodHealthGateway.com).

## **Massachusetts Health Care Reform**

All Massachusetts residents have been required to maintain health insurance since passing of the Massachusetts Health Care Reform Act in 2006. Those who cannot show that they have health insurance may have to pay a penalty on their Massachusetts income tax return.

**All group health plans the Town of Wilbraham offers meet Minimum Creditable Coverage Standards which satisfies the individual mandate requirement of the Massachusetts Health Care Reform Act (Chapter 58 of the Acts of 2006)**

## Massachusetts ACCESS Law

On November 20, 2017, Governor Charles Baker signed the Massachusetts ACCESS Bill into Law. The Law protects access to birth control and requires nearly all form of contraception to be covered with no co-pay including emergency contraception (the “morning after pill”). It also allows women to obtain a 12 month supply of birth control without co-pays.

## Children's Health Insurance Program (CHIP)

If you are eligible for health coverage from your employer, but are unable to afford the premiums, some States, including Massachusetts, have premium assistance programs that can help pay for coverage. If you or your dependents are already enrolled in Medicaid (Medicaid in Massachusetts is called MassHealth) or CHIP and you live in Massachusetts (or any of the other states that offer premium assistance), contact your State Medicaid or CHIP office to find out if premium assistance is available at <http://www.mass.gov/MassHealth> or by calling 1-800-462-1120.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or <http://www.insurekidsnow.gov/state/mass/> to find out how to apply. If it is determined that you or your dependents are eligible for premium assistance under Medicaid or CHIP, your employer's health plan is required to permit you and your dependents to enroll in the plan within 60 days of being determined eligible for premium assistance (not only during Open Enrollment!).

For more information and to find out which states offer this program (if you do not live in Massachusetts), go to the Department of Labor U.S. Department of Health & Human Services Employee Benefits Security Administration Centers for Medicare and Medicaid Services website at [www.dol.gov/ebsa](http://www.dol.gov/ebsa) [www.cms.hhs.gov](http://www.cms.hhs.gov) or call 1-866-444-EBSA (3272) 1-877-267-2323 ext 61565.

## Women's Health and Cancer Rights Act- WHCRA-Notice

The Women's Health and Cancer Rights Act (WHCRA) helps protect many women with breast cancer who choose to have their breasts rebuilt (reconstructed) after a mastectomy. Mastectomy is surgery to remove all or part of the breast. This federal law requires most group insurance plans that cover mastectomies to also cover breast reconstruction. It was signed into law on October 21, 1998. The United States Departments of Labor and Health and Human Services oversee this law. The law applies to group health plans for plan years starting on or after October 1, 1998, and to group health plans, health insurance companies, and HMOs, as long as the plan covers medical and surgical costs for mastectomy.

Under the WHCRA, mastectomy benefits must cover:

- Reconstruction of the breast that was removed by mastectomy surgery and reconstruction of the other breast to make the breasts look symmetrical or balanced after mastectomy
- Any external breast prostheses (breast forms that fit into your bra) that are needed before or during the reconstruction

- Any physical complications at all stages of mastectomy, including lymphedema (fluid build-up in the arm and chest on the side of the surgery)
- Mastectomy benefits may have a yearly deductible and may require that you pay *co-insurance*. Co-insurance is when less than the full amount of the bill is paid by the
- 
- insurance company and the patient must pay the difference.

## Consolidated Omnibus Budget Reconciliation Act (COBRA)-Notice

The federal Consolidated Omnibus Budget Reconciliation Act (COBRA) gives employees and qualified beneficiaries the right to continue health insurance coverage for up to 18 months (up to 36 months in certain circumstances) under the Town's group health plan when a "qualifying event" would normally result in loss of eligibility. Included are such events as separation from employment, a reduction in an employee's work hours, an unpaid leave of absence, divorce or legal separation, a dependent child no longer meeting eligibility requirements or the death of an employee. Under COBRA the employee or beneficiary pays the full cost of the premium at the Town of Wilbraham's group rate. Coverage is subject to timely premium payments to the Town of Wilbraham. For more information please contact the Benefits Manager or visit the website of the U.S. Department of Labor at: <http://www.dol.gov/dol/topic/health-plans/cobra.htm>

## Health Insurance Portability & Accountability Act of 1996 (HIPAA)

### Special Enrollment Rights

Employees have the right to decline health insurance coverage if they have other coverage and may in the future be able to enroll themselves and their dependents on a Town sponsored plan if they request coverage **within 30 days** after their other coverage ends. In addition, if you have a new dependent as a result of marriage, birth or adoption, you may be able to enroll yourself and your dependents, provided that you request enrollment **within 30 days** after the marriage, birth, adoption, or placement for adoption and provide proof (e.g., marriage certificate, birth certificate, adoption record) of this "qualifying event". HIPAA limits the circumstances under which coverage may be excluded for pre-existing medical conditions. It also provides for the right to receive a certificate of health coverage from your employer. For more information please contact the Benefits Manager or visit the website of the US Department of Labor at <http://www.dol.gov>.

### HIPAA Notice of Privacy Practices

This notice describes how medical information about you may be used and disclosed and how you can get access to this information. Please be advised that the Town of Wilbraham is a member of the Scantic Valley Regional Health Trust (SVRHT), a joint purchasing group. SVRHT contracts with Gallagher Benefit Insurance Services of Auburn, MA, to administer the health insurance programs for the member communities. Even for self-insured plans, the Town of Wilbraham does not directly pay for services and does not receive Private Health Information (PHI). The Town of Wilbraham may ask the employee's permission to receive such information in certain circumstances; for instance, when reimbursing an employee for

expenses from a Medical Flexible Spending Account. Please contact Herta Dane, Human Resources Coordinator, at (413) 596-2800, Ext. 100 with any questions.

## Medicare

### MGL Chapter 32B Section 18A

In accordance with M.G.L. Chapter 32B, Section 18A, retirees, their spouses and dependents SHALL enroll in Medicare health benefits as soon as they are eligible. Failure to enroll in Medicare may jeopardize future participation in the Town's contributory group health insurance plan. Upon enrollment in Medicare, eligible retirees and their spouses and dependents will be eligible to enroll in supplemental coverage to Medicare. Retirees and spouses need to apply for Medicare to discover whether they are eligible or not. Retirees may be eligible through a current or former spouse. The only certain way to determine your eligibility is to apply for Medicare Benefits. The minimum monthly premium for Medicare B in 2023 is \$164.90 per person and can be higher according to the retiree's income.

### Medicare Modernization Act of 2003 - Medicare D

The Medicare Modernization Act of 2003 requires all employers that offer prescription drug coverage to notify covered employees and retirees who are Medicare eligible, or who may be Medicare eligible, as to the value of the current prescription drug benefit compared to that of the optional Medicare Part D drug benefit that went into effect on January 1, 2006. A notice is mailed out annually no later than October 15.

**NOTICE: *All health plans offered by the Town of Wilbraham have prescription drug benefits that are at least as good as the standard Medicare Part D prescription drug benefit, and these plans are considered to be "creditable coverage".***

This statement is based on reviews performed by qualified actuaries of the prescription drug benefits and spending by the employer on each health plan compared to what Medicare would pay. Therefore, if you plan to continue to be covered under the Town of Wilbraham's health benefits plans, you do not need to purchase Medicare Part D. If in the future you should want to purchase Part D for whatever reason, because you have been covered by a plan that has benefits as good as or better than Part D benefits, you would not be charged the Part D late enrollment penalty.

## Voluntary Term Life and AD&D Insurance

## The Patient Protection and Affordable Care Act (PPACA)

### Exchange Notification

Effective October 1, 2013, employers must notify their employees: a) about the Health Insurance Marketplace; b) that, depending on their income and what coverage may be offered by the employer, they may be able to get lower cost private insurance in the Marketplace; and c) that if they buy insurance through the Marketplace, they may lose the employer contribution (if any) to their health benefits. The notice in its entirety is included at the end of this handbook.

### Dependent Coverage for Adult Children to Age 26

The Affordable Care Act requires plans and issuers that offer dependent coverage to make the coverage available until a child reaches the age of 26. Both married and unmarried children who live at home or on their own qualify for this coverage. This rule applies to all plans in the individual market and to existing and new employer plans. Since 2014, children up to age 26 can stay on their parent's employer plan, even if they have an offer of coverage through their own employer.

### Annual Limits on Essential Health Benefits

Annual or lifetime dollar limits have been removed from all “essential health benefits” as defined by the ACA.

### Coverage of Clinical Trial Participants

Group Health Plans must cover certain clinical trial costs. They may not limit, deny, or require additional conditions on coverage of routing patient costs for services and items furnished in connection with the trial, and may not discriminate against individuals who participate in qualified clinical trials.

### Out of Pocket Maximums/Cost Sharing Limits

Beginning with plan years renewing on or after January 1, 2014, all group health plans need to include out-of-pocket maximums. For 2023 the out of pocket maximum is \$9,100 for individuals and \$18,200 for families. All medical cost sharing must be applied to the out of pocket maximum. Beginning in 2015, all medical and pharmacy benefits must be applied to the out of pocket maximum.

### Pre-Existing Condition Exclusions

Under the ACA, health plans cannot impose any pre-existing condition exclusions, regardless of age.

### 90 Day Waiting Period

Under the ACA, employers are prohibited from establishing waiting periods of more than 90 days for new enrollees. New Town employees have 30 days to enroll for an effective date of the first of the month following 30 days of service.

## Overview of Health Insurance Marketplaces

### THIS NOTICE IS REQUIRED BY THE NATIONAL HEALTH REFORM LAW ALSO KNOWN AS THE AFFORDABLE CARE ACT OR ACA

This notice is meant to help you understand health insurance Marketplaces, which were set up to make it easier for consumers to compare health insurance plans and enroll in coverage. In Massachusetts, the state Marketplace is known as the Massachusetts Health Connector. Your employer is required by law (§ 1512 of the ACA, which creates 29 U.S.C. 218b) to provide you the information contained in this notice. You may or may not qualify for subsidized health insurance through the Health Connector. If you are offered coverage by your employer that is considered “affordable” and meets a “minimum value” standard according to federal definitions (see below), you most likely will not qualify for the subsidized coverage offered through the Health Connector described in this notice. However, it may still be helpful for you to read and understand the information included here. Please ask your employer for more information if you have questions.

**As a result of the Affordable Care Act (ACA), there is an easy way for many individuals and small businesses in Massachusetts to buy health insurance: the Massachusetts Health Connector. This notice provides some basic information about the Health Connector, and how coverage available through the Health Connector relates to any coverage that may be offered by your employer. You can find out more by visiting: [MAhealthconnector.org](http://MAhealthconnector.org).**

### What is the Massachusetts Health Connector?

The Health Connector is our state’s health insurance Marketplace. It is designed to help individuals, families, and small businesses find health insurance that meets their needs and fits their budget. The Health Connector offers “one-stop shopping” to easily find and compare private health insurance options from the state’s leading health and dental insurance companies. Some individuals and families may also qualify for a tax credit that lowers their monthly premium right away, as well as cost sharing reductions that can lower out-of-pocket expenses. This tax credit is Enabled by §26B of the Internal Revenue Service (IRS) Code.

The next open enrollment for individuals and families to buy health insurance coverage through the Health Connector is scheduled to begin on November 1, 2018. Individuals and families who experience a qualifying event can shop outside of open enrollment periods. You can find out more by visiting [MAhealthconnector.org](http://MAhealthconnector.org) or calling 1-877 MA ENROLL (1-877-623-6765).

## Does access to employer-sponsored coverage affect my eligibility for subsidized insurance through the Health Connector?

An offer of health coverage from your employer could affect your eligibility for these credits and subsidies through the Health Connector. If your income meets the eligibility criteria, you will qualify for credits and subsidies through the Health Connector if:

- Your employer does not offer coverage to you, or
- Your employer does offer you coverage, but:
  - a) Your employer's offer of coverage for just you (not including other family members) would require you to spend more than 9.5 % of your household income for the year; or
  - b) The coverage your employer provides does not meet the "minimum value" standard set by the new national health reform law (which says that the plan offered has to cover at least 60 percent of total allowed costs).

If you purchase a health plan through the Health Connector instead of accepting health coverage offered by your employer, please note that you will lose the employer contribution (if any) for your health insurance. Also, please note that the amount that you and your employer contribute to your employer-sponsored health insurance is often excluded from federal and state income taxes.

### 1. Employer-Sponsored Health Coverage:

Does this employer offer employer-sponsored health insurance coverage that is affordable and meets a minimum value standard (according to federal standards) to at least some of its employees? Note: Whether a plan meets "Minimum Value" can be found on the plan's Summary of Benefits and Coverage (SBC).

**Check one:**  Yes  No

If yes, and if the employee receiving this notice qualifies for such benefits, they can find out more by contacting: Gloria Congram, Benefits Manager, NFP Corporate Services (NY), LLC 413-596-2800 ext 102 or [gcongram@wilbraham-ma.gov](mailto:gcongram@wilbraham-ma.gov). If no, or if employee receiving notice does not qualify for such benefits, the Health Connector can help Employees evaluate coverage options, cost and eligibility. Please visit [Healthconnector.org](http://Healthconnector.org) for more information, including an online application for health insurance coverage.

### 2. "Cafeteria Plan" Eligibility:

Many Massachusetts employers (those with 11 or more full-time equivalent employees) are required to offer a Section 125 plan, or "Cafeteria Plan." These plans allow employees to pay for their health Insurance on a pre-tax basis. This Massachusetts law (956 CMR 4.00, authorized by M.G.L. c. 176Q, §16) requires employers to provide an option for their employees to buy health insurance with pre-tax income, even if those employees don't qualify for a health insurance plan offered by the employer. This is done by setting up a payroll deduction that lets workers make a health insurance premium payment with pre-tax dollars.

Does this employer offer a Section 125 plan in accordance with the state requirement, if it has 11 or more full-time equivalent workers? Or does it offer such a plan, even if it is not subject to the requirement?

**Check one:**  Yes  No

If yes, employees can find out more by contacting: Lynne Frederick, Assistant Treasurer, 413-596-2800 ext 129 or [lfrederick@wilbraham-ma.gov](mailto:lfrederick@wilbraham-ma.gov).

If no, employees should contact their employer or visit [MAhealthconnector.org](http://MAhealthconnector.org) or call 1-877 MA ENROLL (1-877-623-6765) or TTY: 1-877-623-7773, Monday to Friday, 8:00 a.m. to 6:00 p.m. for more information about health insurance options for which they might be eligible.
