

Town of Wilbraham

240 Springfield Street
Wilbraham, Massachusetts 01095

Wilbraham is developing and implementing an overall Culvert Asset Management Program and Bank Stabilization Program, with assistance from a Municipal Vulnerability Program Action grant. Personnel from the Wilbraham DPW and a hired consultant, Tighe & Bond, visited culverts throughout December and January and walked lengths of brooks and streams to assess bank stabilization in March.

The results of the Culvert Asset Management and the Bank Stabilization Program will be presented at the Town Hall in the Select Boards Meeting Room on Monday, June 24th at 3:00pm. The final reports and the presentation will be available on the Town's Stormwater Resource Center website: <https://www.wilbraham-ma.gov/494/Stormwater-Resource-Center>.
