

Town of Wilbraham

240 Springfield Street
Wilbraham, Massachusetts 01095

As you are completing yard work this summer, please remember that grass clippings and tree branches do not belong in the brooks and streams! They can hinder the flow and can also lead to increased levels of nutrients in the watershed, potentially leading to flooding and pollution of our waterways. To learn more about proper management of grass clippings and the Town's stormwater management efforts, visit the link below:
