**About the Wilbraham Building Utilization Committee:**

The Wilbraham Building Utilization Committee (BUC) is a nine-member board appointed by the Wilbraham Select Board. The BUC is a volunteer Board that has been established to evaluate properties owned by the Town of Wilbraham and to gather information regarding their use (current and potential future) and condition. The Wilbraham Select Board has tasked the committee with generating a final presentation in early 2026.

The Mission of the Wilbraham Building Utilization Committee is dedicated to optimizing the use of the Town-owned properties to meet the current and future needs of our community. Our mission is to assess facilities, identify opportunities for improvement, and recommend cost-effective solutions to increase functionality and efficiency. Collaborating with town officials, stakeholders, and residents. The committee will strive to ensure that Wilbraham properties effectively serve the Wilbraham community.
