

Comments gathered at the Recycling Center while handing out invites to Imagine Wilbraham Day

- Preserve historical district
- Preserve community character
- Lower dump prices sticker and bag to increase revenue
- Keep it cute and quaint
- Sidewalks along town grid to connect neighborhoods
- Don't send water and sewer bills 2 wks b4 xmas
- Sidewalks all over stony hill road to improve flexibility
- Encourage town and people to use local businesses/ contractors
- Have town officials at imagine Wilbraham day (planning board and planning dept did attend)
- Keep bus sep from housing like b road corridor
- Small shops on main st that I can walk to
- Control # and size of political signs
- Use existing buildings for new town purposes e.g. turn Memorial School into a Sr. Center and police station
- Combine Minnechaug and town library for w and h instead of duplicating services
- Add bike lane when paving roads
- Trucks should not block traffic on roads
- Historic dist is an idea whose time has come
- Lower taxes (multiple)
- What are plans for more lights are Boston road?
- Spend more wisely - new school is an example of unwise spending
- find ways to limit growth keep personal space
- Too many Italian rest
- Tear down or new stuff on old buildings
- Hampden should pay fair share
- More for seniors
- People should maintain own properties more - not let them get rundown
- Do not want town create trails going through private property
- Nothing I say will matter (multiple)
